

#### Moving Checklist:

##### Before the Move:

- Choose a reliable and experienced removals company like Frontier Removals
- Notify utility companies of your move date and arrange for services to be transferred or disconnected at your old and new addresses.
- Forward your mail to your new address or sign up for a mail-forwarding service.
- Update your address with any banks, credit card companies, and other financial institutions.
- Set up or transfer any subscriptions or memberships, such as your gym or streaming services.
- Make arrangements for any pets or plants you'll be moving with.
- Dispose of any items you no longer need or want to take with you.
- Create an inventory of all your belongings
- Pack a separate bag for essentials: important documents, keys, phone chargers, and valuables
- Prepare your appliances: Clean and properly prepare appliances such as the refrigerator and washing machine for the move.

##### During the Move:

- Pack and label boxes with their contents and the room they belong in.
- Use sturdy and uniform packing supplies: boxes, bubble wrap, packing peanuts, labels, packing tape
- Pack essentials such as clothes, personal items, kitchen essentials, and bed linens yourself
- Keep important documents, keys, and valuables with you
- Notify of address change with all necessary parties
- Make sure you have a plan for utilities and internet set up in the new place

##### After the Move:

- Unpack and organize your new home
- Make sure you have a plan for cleaning your old place and getting it ready for the next tenant or owner
- Settle in and enjoy your new home
